

REDUCING STIGMA IS A STRONG INVESTMENT

Stigma and discrimination towards people with mental health challenges partially explains why only 1 in 4 people seek help for such challenges. Since 2011, California has invested in changing attitudes toward mental health challenges with social marketing campaigns, including Each Mind Matters: California's Mental Health Movement.

15.4% more Californians

exposed to **Each Mind Matters** turn to help for mental health challenges

With mental health services, **productivity and employment outcomes improve.**

\$1.5 billion

in estimated positive benefits to California

For each
